

COOKIES POLICY

Cookie is a file that is downloaded to your computer when accessing certain web pages. Cookies allow a web page, among other things, to store and retrieve information about the browsing habits of a user or their equipment and, depending on the information they contain, and the way they use their equipment, they can be used to recognize the user.

The user's browser memorizes cookies on the hard disk only during the current session, occupying a minimum memory space and not harming the computer. Cookies do not contain any kind of specific personal information, and most of them are deleted from the hard drive at the end of the browser session (the so-called session cookies).

Most browsers accept cookies as standard and, independently of them, allow or prevent temporary or stored cookies in security settings. Without your express consent - by activating the cookies in your browser - **LACMA** will not link in the cookies the data stored with your personal data provided at the time of registration or purchase.

What types of cookies does this website use?
